

7. 寿命: 5000次

Technical drawing of a 2x2x3 grid of rectangular blocks. The grid is 26 units wide and 11 units high. The top row has a height of 9.8 units, and the bottom row has a height of 7 units. The distance between the center lines of the columns is 14 units. The distance between the center lines of the rows is 5.9 units. The blocks are numbered 1 through 6. A callout shows a single block with dimensions 13-1 x 1.6. A dimension of 5.3 is shown for the bottom row blocks.
